

Car Maintenance Course For Beginners

Course Information

Thinking of hitting the road in WA? Whether you're a local or a backpacker planning an epic road trip, this course is perfect for anyone who wants to understand how their car works. Learn basic maintenance skills, reduce trips to the garage and confidently discuss servicing and repair requirements with mechanics. This is an extensive workshop for absolute novices.

What you'll learn:

- Environmental and safety considerations
- Tyres / changing them / tread / size and pressures
- Fluid levels and checks – water, oil, coolant
- Engine and overheating prevention - cooling system checks
- Battery charging and maintenance
- Brake inspection
- Replacing wiper inserts
- Emergency know-how
- Seat belts / child restraints

What you need to know:

The cost of the one-day course is \$250 (GST incl.), and it will be held from 9am to 3pm. Morning tea will be provided, please bring your own lunch (or purchase at venues nearby). The course has a capacity of 12 learners. You will receive a Certificate of Attendance upon completion of the course.
