* This qualification is directly aligned with priority industry areas where jobs are today, and into the future. As part of the state government Lower Fees, Local Skills program, through to 31 December 2025 you'll only pay half the tuition fees capped at \$1200 or \$400 if you're aged 15 - 24 or eligible for a concession. Lower Fees, Local Skills are available to residents of Western Australia, and temporary residents holding certain visa types. They are not available for people living outside of Western Australia, or international students.

Note: Fee caps only apply to the calendar year, so multi-semester courses across more than one calendar year may have a higher fee.

** The Lower Fees, Local Skills (half price) discount and fee caps have already been applied to the course fees above.

Note: Lower Fees, Local Skills half price qualifications only applies to the tuition fee component, other fees may apply such as resource fees or textbooks etc. that is specific to your course.

*** This fee is inclusive of an RPL assessment component that is only available to trade qualified persons or apprentices in their 3rd year of study that already hold the units that make up the RPL component of the qualification.

Fee disclaimers: The fees quoted are estimates only and are for the entire course for students enrolling on a full-time basis in 2023 and include all the units in our standard training plan. Fees will vary based on the selection of elective units and will be quoted on an individual basis. If you're a continuing student and have successfully completed a lower-level qualification that is a prerequisite for this course, you'll only pay for the units that you need to enrol in.
